

Dear Riders and Clubs,

as of October, 1st 2017 the Luxembourg Cycling Federation (FSCL) will introduce a Timing System (Transponder System). In addition to that the FSCL will open an online registration for all races. Please find all necessary informations about these new tools here:

1. Timing System

All transponders used by the FSCL will be provided by the company "MyLaps". The "MyLaps" system will be obligatory as of October, 1st for all races being part of the official FSCL calendar starting from Category U17.

Please note that riders who were in their second year in Category U15 this season must race in Category U17 in the upcoming Cyclo Cross season starting October, 1st 2017.

Transponders can be purchased online using the following link:

<https://speedhiveshop.mylaps.com/active-sports/prochip-flex.html>

In addition to that transponders can be borrowed on-site for the race. The fee for a transponder will be 10 Euro. Please note that the quantity of transponders available on-site is limited.

2. Online Registration

As of October, 1st all registrations for races being part of the official FSCL calendar will be handled online via the FSCL Website:

<http://fsc.l.lu/inscription-online/>

Please note that riders not in possession of a license issued by the FSCL have to register online to receive a unique FSCL ID number. This FSCL ID is necessary to finalize the online registration. Please find the link to the registration here:

[Inscription base de données pour coureurs non-licenciés FSCL](#)

The online registration opens 20 days before the event and will be closed 72 hours before the race. A registration on-site is possible until 60 minutes before the start of the race. The registrations on-site will be charged with 2 Euro.
